- 1) If you bird in multiple places please fill out form for each location.
- 2) We often don't want to use our home address so pick a nearby neighborhood location.
- 3) Bird species order is not important but please be precise, listing Nuthatch could mean White-breasted, Red-breasted, or Pygmy.
- 4) We can email you the generated eBird list so that you can double check your inputs.
